	Ausgabe	7. Juli 2020	Abgabe	15. Juli 2020

Report

How the algorithm and software works

List how many frequent itemsets you obtained containing one, two, three, ... items.

Example: itemsets with 1 item: 120, itemsets with 2 items: 30, ... , itemsets with 5 items: 1

Provide the found frequent itemsets containing two or more items together with their computed support value.
